Discreet FireClip™

Low visibility cable clips for 4-21 mm Cables and Ducts

Features

- For single and double cables
- Range to suit cable diameters from 4mm – 11mm
- Recommended spacing: 300mm
- Hole Diameter* 6mm
- Hole depth: 30mm
- Supports a max tensile load of 24kg.
- Black, Brown and White colours are available
- Fire-resistant >1000°C
- Round cables and PVC Trunking
- Corrosion Resistant - UV Stable
- Anchor fixings for wire etc
- 18th Edition Compliant

Application

The LINIAN fire-rated clips are fast and easy to install. With no need for additional plugs, screws or washers, you can just drill a hole slide our clips over the cable, push into the wall and go- it really is that simple.

Design

Perfected through years of development, this exceptional innovation looks simple – and it is. The fire-rated cable fixings are expertly designed to save time, money and lives, this remarkable evolution of a vital building component can help you make every job neater and more effective than ever.
Manufacturing Standards

- Steel to BS EN 10140
- Heat Treatment to BS EN 10132-4: 2000
- ISO9001 Accredited Manufacturing Facility

There is no need for plugs, screws, and washers - just drill your hole, slide the clip over the cable, and push it into the wall.
Hexatronic is an official, proud stockist and distributor of LINIAN in the telecoms industry.

Technical Information

Installation Notes

1 Drill a hole in your substrate. We suggest a Ø6mm hole at a depth of 30mm.

2 Slide the clip over the cable. Make sure it's seated in the rounded area of the clip.

3 Compress and push it home. Pinch the legs together and push into the hole by hand.
