

# Large Dome Accessories

A range of accessories available for the Hex Large Dome Closures.

---

## Features

- Accessories to suit your solution requirements
- Splice cassette, Wall mounting bracket, Splitter Module Storage Kits, Patch Module Kit, Mounting Bracket

## Application

Hex Large Dome Closures (LHDC)

## Product Information

The larger dome closures are denoted by "LHDC," which stands for "Large Hexatronic Dome Closure." These closures are also available in two sizes, LHDC-AA and LHDC-AB, with splice capacities of 288f (576f) and 672f (1344f) respectively. These larger dome closures are perfect for applications where a higher splice capacity is needed, such as in larger network builds or installations.
