

LM-200-10 Cable Blowing Compressor

Industry-leading, oilless fibre optic cable blowing compressor (Worldwide)

Features

- Easy access to filters for maintenance
- Protection from moving parts
- Even air flow

Design

The compressor has been designed to provide an even, continuous flow of air to aid the installation of optical fibre cables within a duct. It is compact and manoeuvrable with an extending handle to facilitate positioning the compressor at the job site.

Product Information

- Max operation pressure - 145 bar
- Min working pressure - 10 bar
- Max engine speed - 2900 Rpm
- Horse power - 7,00
- Noise level - 89 dB
- Engine - Extreme 5GT
- Intake - 510 L/MIN, 19 C.F.M, 30.5 M3/H
- Free Air Delivery - 265 L/MIN, 9.36 C.F.M, 15.9 M3/H
- Weight - 37 KG, 81 LBS
- Dimensions (handle folded) 56cm x 75cm x 48cm (22" x 29.5" x 18.9")
- Dimensions (handle open) 56cm x 75cm x 112cm (22" x 29.5" x 44")
