

One-Click Cleaner™ 1,25mm LC/MU

Cleans connectors with a simple single-action cleaning system

Features

- Cleans MU, LC
- Over 500 cleans per unit
- Size of 1.25 mm
- Dry cleaning method

Design

Cleans faster and more efficiently than traditional methods. Cleans the fibre connector directly on a patch cord or pigtail, at the top of the pen's cork there is a cover to clean the ferrules. Remove the entire cork in order to clean the connector on the backside of an adaptor without having to pull out

your ODF or remove the adaptor. Lasts for 500 clicks.
