

Fiber Optic Connector Adapters

Singlemode and multimode as well as simplex and duplex. In addition, you will find adapters (both female and male).

Features

- Quality fiber optic adaptors
- Large selection of versions
- SC, SC/APC, LC, LC/APC, MU, ST, FC, SMA
- Between series-adapters, Hybrid-adapters
- Simplex, duplex or quad versions
- With or without safety shutters
- Snap, Slim or flange mounted type

Application

- FTTx
- PON
- 4G/5G
- Cable TV
- Video Transmisson

Design

Simplex, duplex and quadruplex connector options. Adapters with shutters provide a safe mechanism for protecting laser radiation from harming eyes.

Adapters with flanges enables secure mounting with screws. Th flangeless versions allows higher packaging density.
