

Singlemode G657A2 MTP®

MTP are multifiber connectors with up to 24 fibers in a connector, enabling efficient cross-coupling and handling of large amounts of fiber.

Features

- Bend intensive G657A2
- Various configuration options
- US Conec MTP® Connector

Application

Data Center

Product Information

The US Conec MTP connectors are fully compliant with the MPO standards, achieving higher performance levels when compared to generic MPO connectors.

Technical Information

Palo-ominaisuudet	OFNR
Kuidun tyyppi	G657A2
Vaimennus @Aallonpituudella [nm]	0.4dB/km @1310nm and 0.25dB/km @1550nm
