

Cable and Duct Seals – Multi Port

Triplex and Quadruplex Duct Seal for Cables

Features

- Water- and air tight
- Seals all types of ducts or raceways
- Simple installation around installed subducts or cables
- Retrofit
- Holds and organizes subducts or multiple cables in main duct

Application

The entry seal duct plug prevent the incursion of water and dirt into ducts and raceway systems. It also effectively blocks potentially dangerous vapors. The split design allows these to be installed after cable installation into the pipe.

Design

Body: Stainless steel

Sealing: EPDM rubber

Technical Information

Product Color Black/Silver

Conformance IEC 60068-2
